

Produkt Information

referring on its request to the European Union guidelines (material limit values), we recommend to you that:

GEHR plastics of semifinished products (in accordance with confirmation of our raw material suppliers)

1.) Guideline 2003/11/EG

Pentabrom Diphenylether (C₁₂ H₅ Br₅ O) or Octabrom Diphenylether (C₁₂ H₂ Br₈ O) are not contained or the concentration is smaller than 0.1%.

2.) Guidelines 2000/53/EG and 2011/65/EU (**RoHS**)

Additionally our products do not contain heavy metals such as lead (Pb), cadmium (Cd), chrome VI (Cr VI) and mercury (Hg),

3.) Guideline 2011/65/EU (**RoHS**)

as well as of Polybrominated Biphenyle (PBB) and Polybrominated Diphenylether (PBDE).

4.) Guideline 2006/122/EG with 30th change of the guideline 76/769/EC (PFOS)

We would like to point out that we can give these confirmations only for the procedures in our sphere of influence. Influences during the further handling of the materials can lead to the fact that the materials do not keep the requirements of the European Union guidelines any longer.

With further questions don't hesitate to contact us again.
