Dear Customer

This is to certify that the Excel Foam PVC sheet brands are free from the following substances:

Lead	Di butyl phthalate (DBP)
Cadmium	Di isobutyl Phthalate (DIBP)
Mercury	Polybrominated diphenyl ethers (PBDE)
Hexavalent Chromium	Bis (2- ethylhexyl) phthalate(DBHP)
Polybrominated Biphenyls (PBB)	Butyl benzyl Phthalate (BBP)

The Excel Plastics formulation for the manufacturing process is free from the above substances and fulfils the requirement to Directive 2018 /741/EU of the European Union as regards to the use of the list of Restricted hazardous substances (RoHS).
