

Weert, January 2021

Subject: **RoHS (Restriction of Hazardous Substances) statement**

Trespa International B.V. is a producer of High Pressure Decorative Laminates (HPL) which do comply with and are tested according to the European product standard EN 438.

Trespa, as a manufacturer of High Pressure Laminates therefore has no obligations with regards to the RoHS directive in that sense.

Trespa's products under the Trespa® Meteon® brand name do not contain any of the restricted substances referred to in the RoHS directive at concentrations in excess of those listed in the Directives :

- 2002/95/EC (Initial RoHS-Directive, repealed in January 2013)
- 2011/65/EU (RoHS Recast)
- (EU) 2015/863 (Amendment of Annex II)

Sincerely,

TRESPA International B.V.
