To whom it may concern

Re: EU REACH, Substances of Very High Concern (SVHC) Declaration and Disclosure (Status of January, 17th 2023)
Trinseo ref: -

Dear customer,

This letter is in response to your question about the compliance of the following product to the SVHC Candidate List acc. to Article 59 of directive 1907/2006/EU (EU REACH) and its amendments.

AltuglasTM PMMA Sheets

Based on composition information for the raw materials this product contains the following chemical(s) listed on the current SVHC candidate list above the reportable limit (0.1 % wt):

None

The levels indicated above are for Trinseo resin(s)/sheet(s) as supplied to customers.

Refer to the following website for the recent status:

[Candidate List of substances of very high concern for Authorisation - ECHA \(europa.eu\)](https://eucha.europa.eu)

Please note that Trinseo cannot give any warranty that the above-mentioned substances are not contained or present at level of their ubiquitous traces in raw materials. Trinseo does not carry out any specific analyses in order to detect the presence of the above-mentioned substances.

Should you have any further questions, please do not hesitate to contact myself or your Account Manager.

Sincerely,

Dr. Martin Köstler
Global PMMA Product Stewardship Specialist
